

Jeco Energies – Technician Assembly Electrical

Technician Assembly Electrical

At **Jeco Energies**, we work every day to develop smart, future-oriented energy solutions for industrial customers. Within our **Rental division**, we provide temporary power solutions and flexible rental solutions for a wide range of projects and technical challenges. Our customers rely on fast, reliable and safe solutions, supported by strong technical expertise, high-quality standards and thorough preparation.

As a **Technician Assembly Electrical**, you are responsible for the electrical installation of mobile E-houses, transformer stations, and high- and low-voltage installations. From reading electrical schematics to installing control cabinets and connecting high-voltage cables, your technical expertise and attention to detail ensure that installations are built safely and to a high standard.

- A **technical qualification in electrical engineering** and relevant experience.
- Ability to **read and correctly interpret electrical schematics**.
- Experience in connecting **power, control and high-voltage cables**.
- Knowledge of installing **control cabinets, heat-shrink tubing and cable terminations**.
- A **strong safety and quality mindset**.
- Strong **problem-solving skills** and the ability to respond quickly to technical challenges.
- A genuine **team player** with professional and customer-oriented communication skills.
- Good command of **Dutch and English**.
- **BA4 certification, VCA Basic and a category B driving licence** are a plus.

At Jeco Energies, you'll have the opportunity to **take ownership of your role, show initiative and contribute to high-quality industrial solutions**.

In addition, we offer:

- A **permanent position** within a stable and growing organisation.
- A **competitive salary based on your experience**.
- **Meal vouchers and additional benefits**.
- **32 days of leave** to enjoy: 20 statutory days + 12 ADV days.
- **Technically challenging projects** in industrial environments.
- Opportunities to **deepen your expertise and further develop your skills**.
- An environment where **technical expertise, initiative and collaboration** are highly valued.

Together, we make the difference

At Jeco Energies, we believe that **strong teams are built on diversity**. Bringing together different areas of expertise, backgrounds and perspectives is an essential part of our growth.

We are committed to providing **equal opportunities**, regardless of gender, age, background, beliefs or disability.
We strive to create a culture where every employee feels **safe, respected and valued**.

Diverse teams make us smarter. And smart energy is what Jeco Energies stands for.
